

Sound Equipment Rental Price List

Please note the following conditions (additional conditions may apply - please contact the Rental Department if you have any questions regarding rental policies, terms or conditions):

1. Equipment rentals should be picked up as follows: Pickup time is between 1:00 p.m. and 5 p.m. on the business day prior to the date of use unless other arrangements have been made. Returns are due back between 9 and 10 a.m. the business day after the rental period is completed. If notified in advance, we will accept returns until 12 noon without penalty; equipment returned after 12 noon will be charged rental for that day.
2. Rentals returned incomplete or damaged will be charged for full replacement value. Rental charges may be incurred until the balance of the missing/damaged gear is paid in full at our discretion.
3. Accrued rental prices do not apply against purchase price.
4. The renter is responsible for providing their own insurance for the equipment during the rental period. The renter is responsible for any loss or damage to the gear once it leaves our premises, and further guarantees its safe use and operation. We welcome you to inspect and test your rental before signing it out.
5. All new and C.O.D. accounts must supply Credit Card information as a security deposit. Payments for new and C.O.D. accounts are to be made, in full, at the time of pickup. Payment options include Visa, MasterCard, debit, business cheque and cash.

Recorders - Non-Linear Recorders

Model	Description	Daily Rate	Weekly Rate	Monthly Rate
SD 788T	Sound Devices 8-channel time code recorder w/ 8 mic preamps *160 GB internal hard drive *CF slot, USB2, Firewire 400 & 800 outputs for external drive *includes 4 XLR to TA3F adapter cables for accessing channels 5-8 *includes time code input/output cable *includes power supply and/or external battery power kit *CL-8 controller and XL-DVDRAM rented seperately	\$150.00	\$400.00	\$1,200.00
SD 664	Sound Devices 6 input mixer/time code recorder w/ 4-channel mix bus *use as a standalone mixer or record all inputs and mix tracks in wav and mp3 *CF and SD slots (no internal hard drive) *includes power supply and/or external battery power kit *includes soft carry case with strap *CL6 expansion rents seperately	\$100.00	\$375.00	\$1,125.00
SD 744T	Sound Devices 4-channel time code recorder w/ 2 mic preamps *80 GB internal hard drive *CF slot, Firewire for external drive *includes 2 XLR to TA3F adapter cables for accessing channels 3-4 *includes time code input/output cable *includes power supply and/or external battery power kit *includes soft carry case with strap *XL-DVDRAM rented seperately	\$75.00	\$300.00	\$900.00
SD 633	Sound Devices 6 input mixer/time code recorder w/ 4-channel mix bus *use as a standalone mixer or record all inputs and mix tracks in wav and mp3 *CF and SD slots (no internal hard drive) *includes power supply and/or external battery power kit *includes soft carry case with strap *CL6 expansion rents seperately	\$75.00	\$300.00	\$900.00
SD 722	Sound Devices 2-channel non-time code recorder w/2mic preamps *80 GB internal hard drive *CF slot, Firewire for external drive *includes power supply and/or external battery power kit *includes soft carry case with strap *XL-DVDRAM rented seperately	\$50.00	\$200.00	\$600.00
